

GO FOR IT

A black and white photograph of a rocky stream bed. In the foreground, there are several large, smooth, light-colored rocks scattered across the sandy and pebbly ground. In the background, there are several trees with bare branches, suggesting a late autumn or winter setting. The lighting is soft, creating gentle shadows.

"GO FOR IT"

*What does "GO FOR IT" mean to you?
Does it mean go for all the gusto you can
get? Does it mean go for the best? Of
course, it could have it's own special
meaning to you . . . If you think about it,
we all have something that motivates us.
After you go through this book, class by
class, club by club, you can form your own
special meaning of*

"GO FOR IT"

Come one step closer and I'll . . .

"I want to learn what life is for. I don't want much. I just want more. Ask what I want and I will sing; I want everything."

I'm so happy!

"You get what you get when you go for it!"

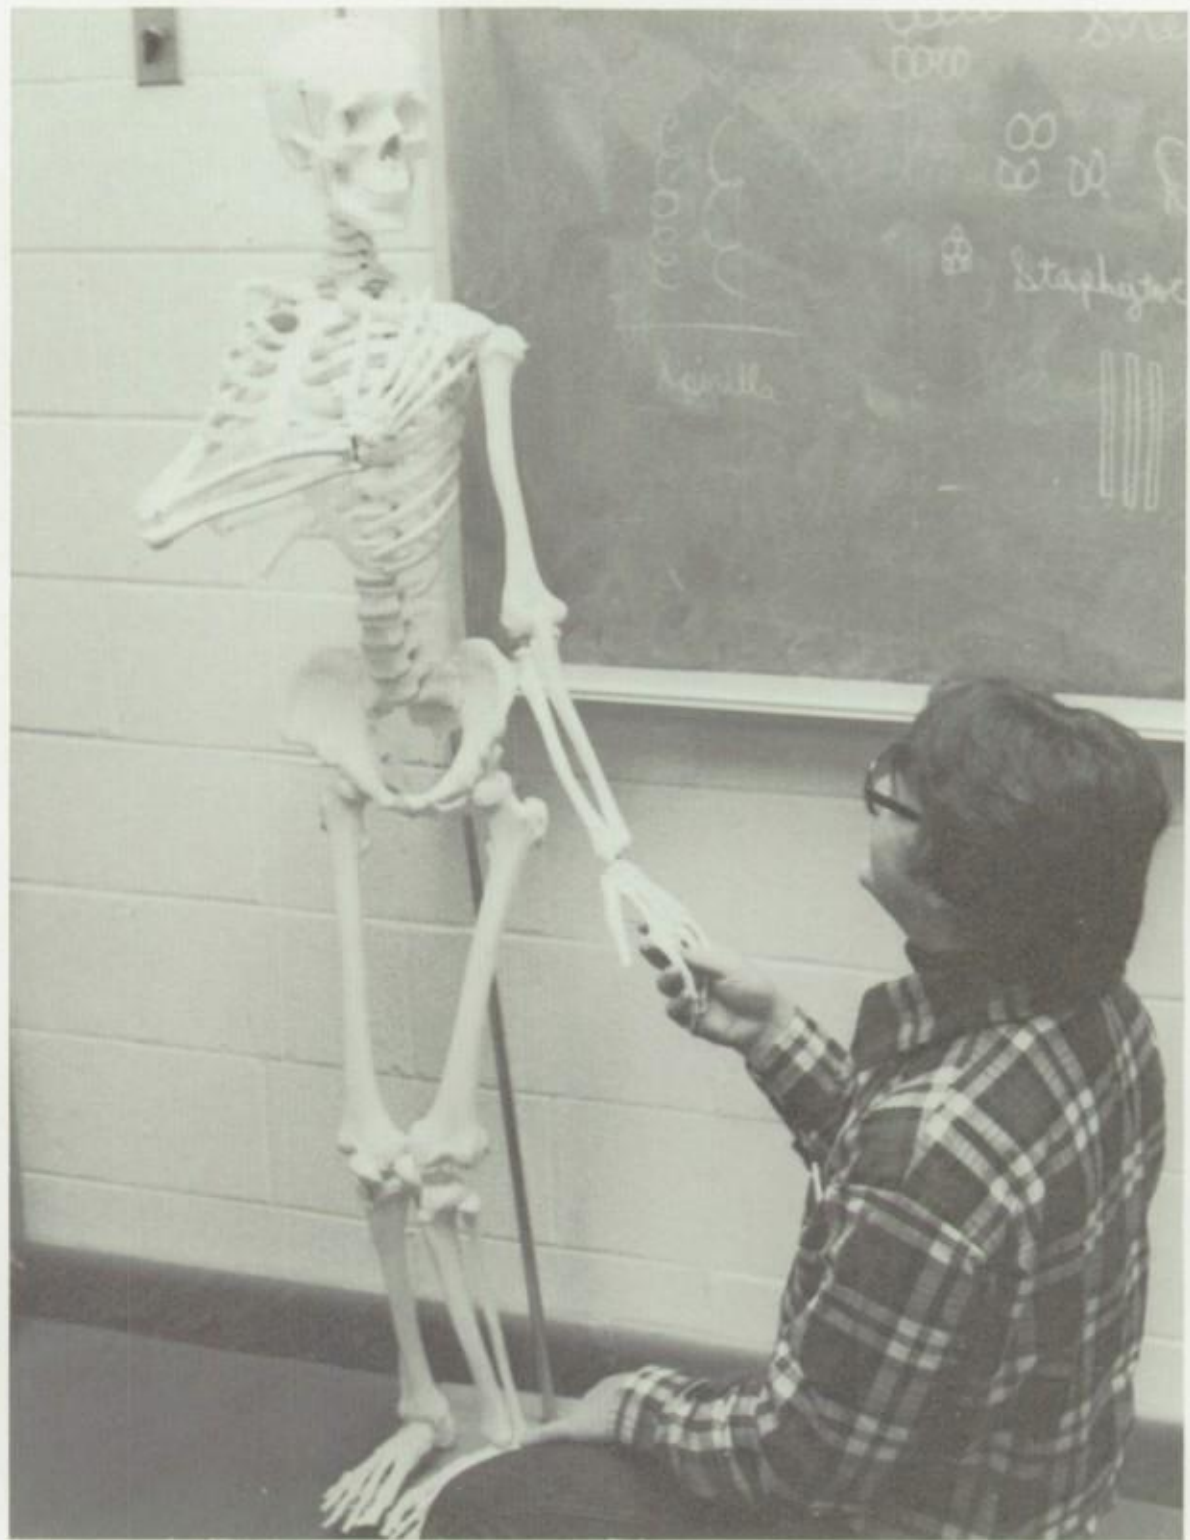

College? Me??

Henry on the home stretch.

We are just wild and crazy!

How do I love thee? Let me count the ribs.

Go for it, Barry!

Just one big happy family . . .

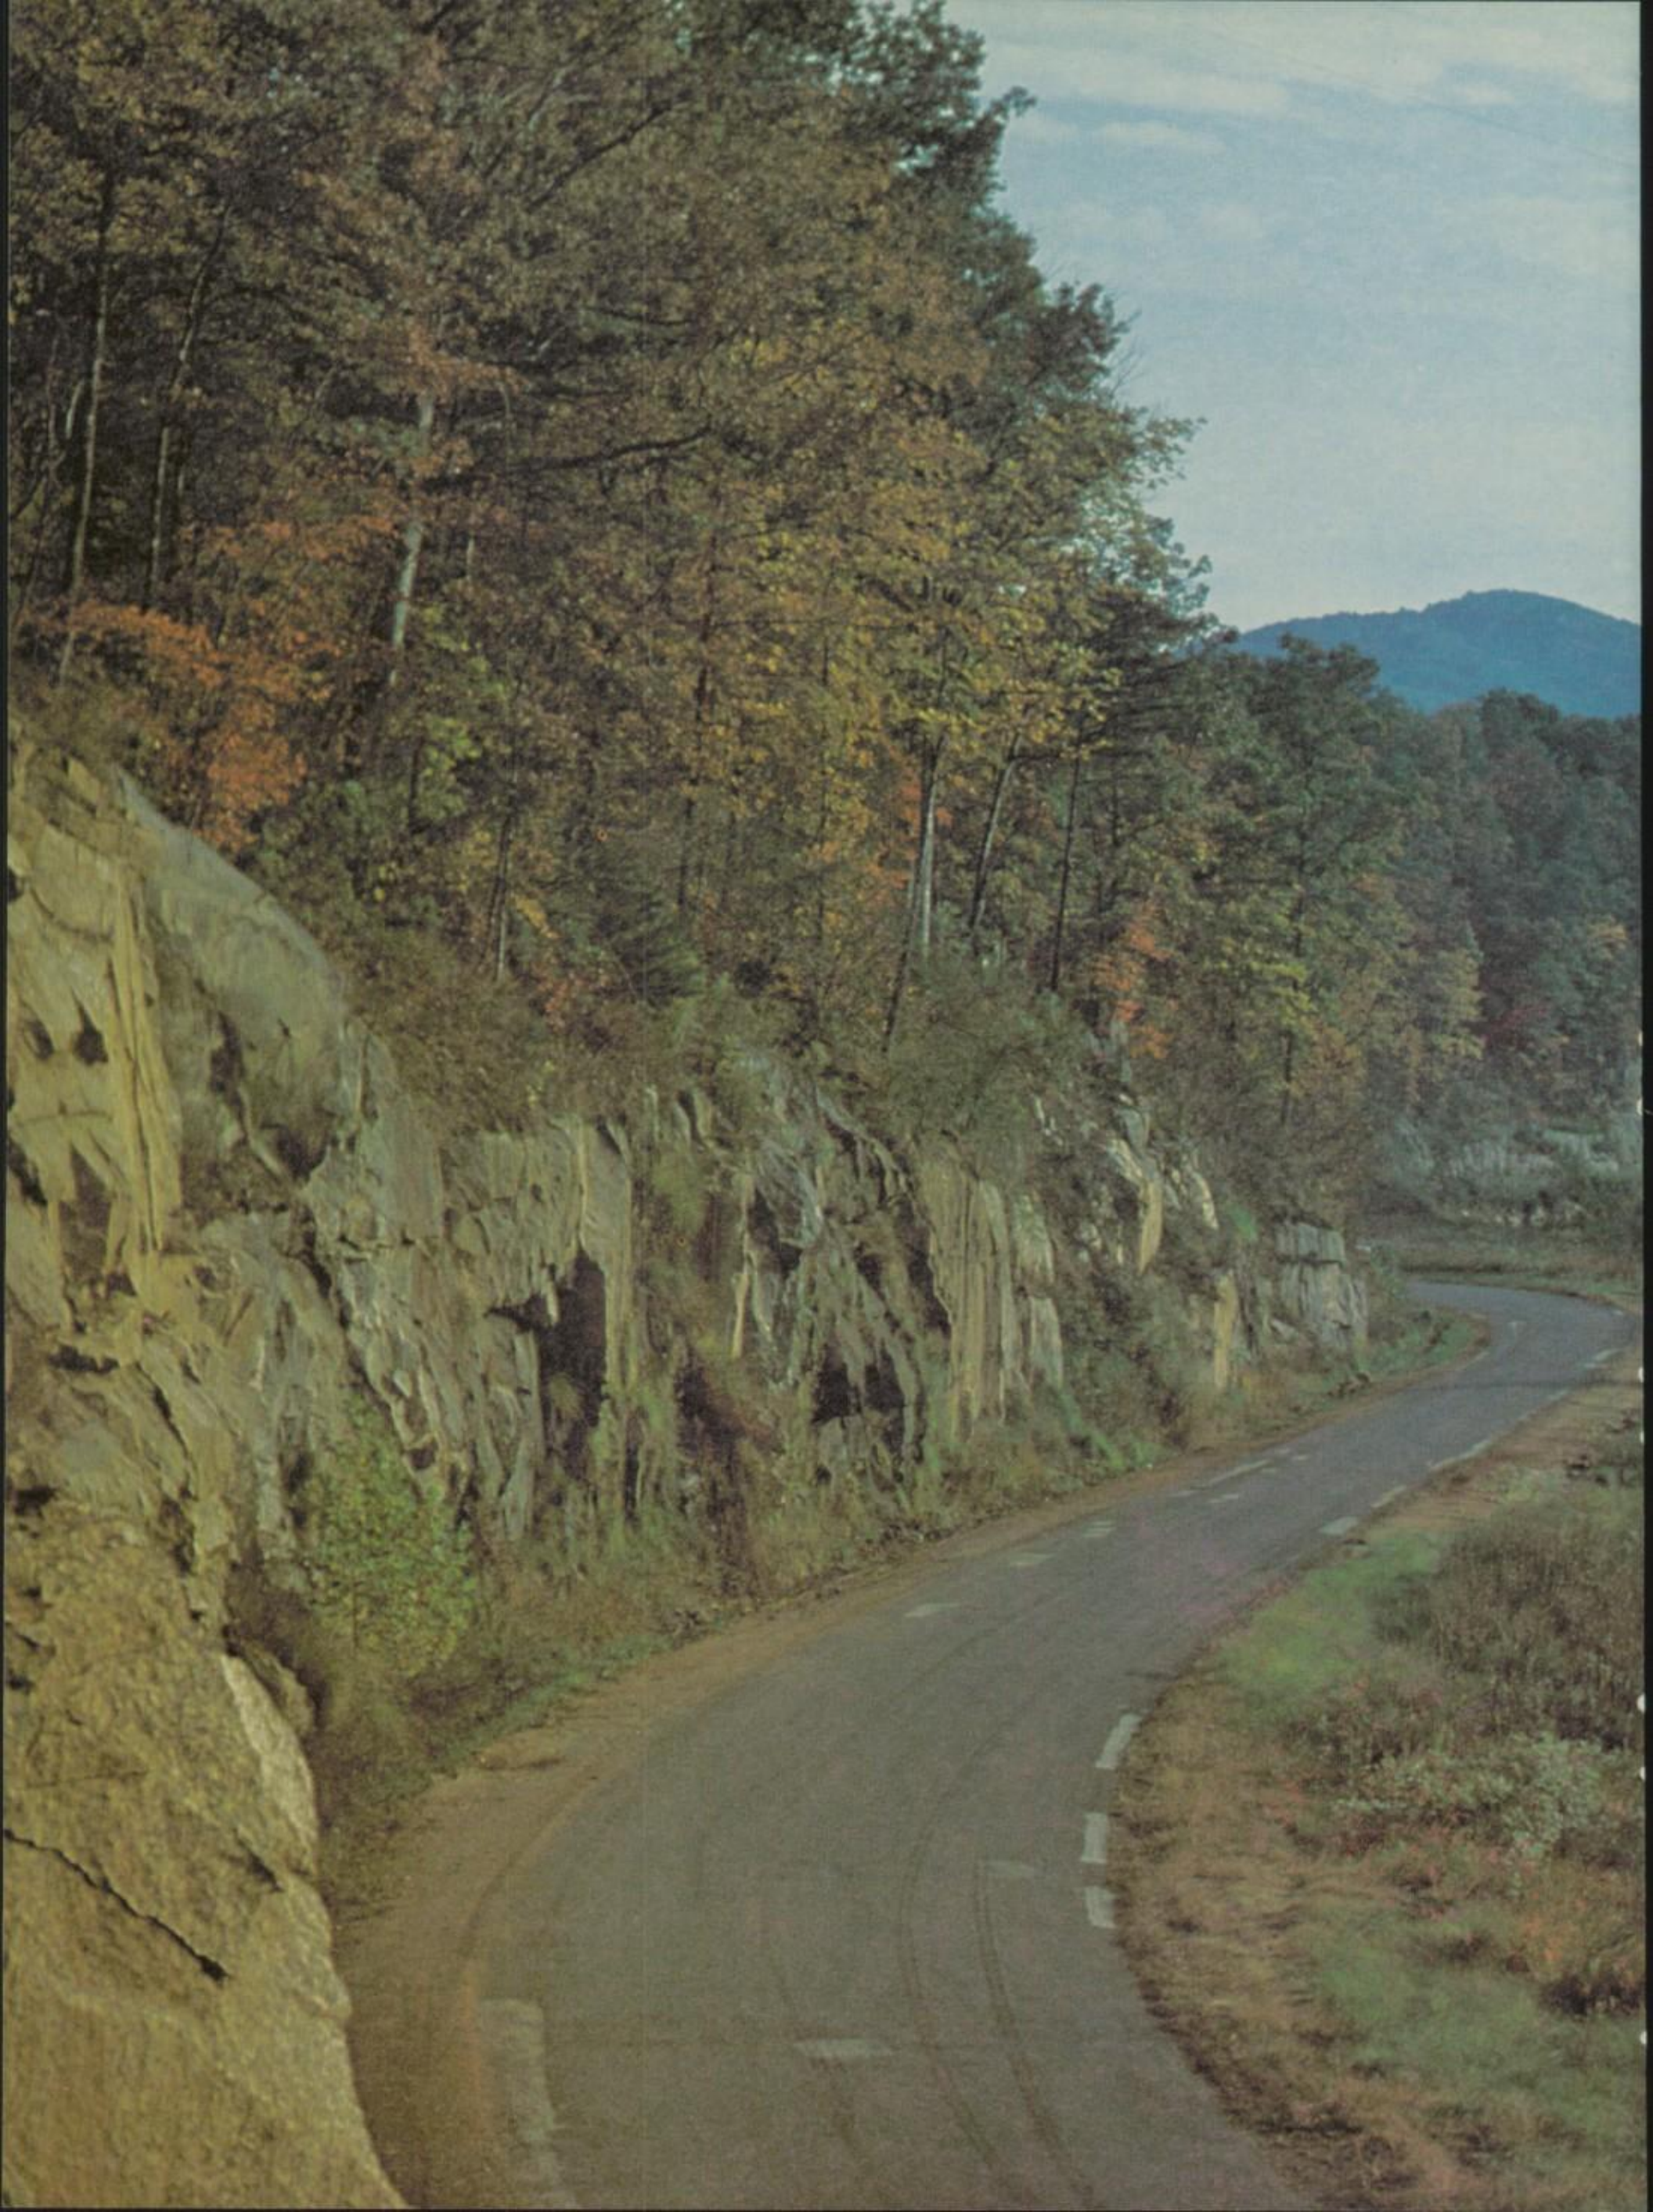

Fair is fair, thanks to Title 9.

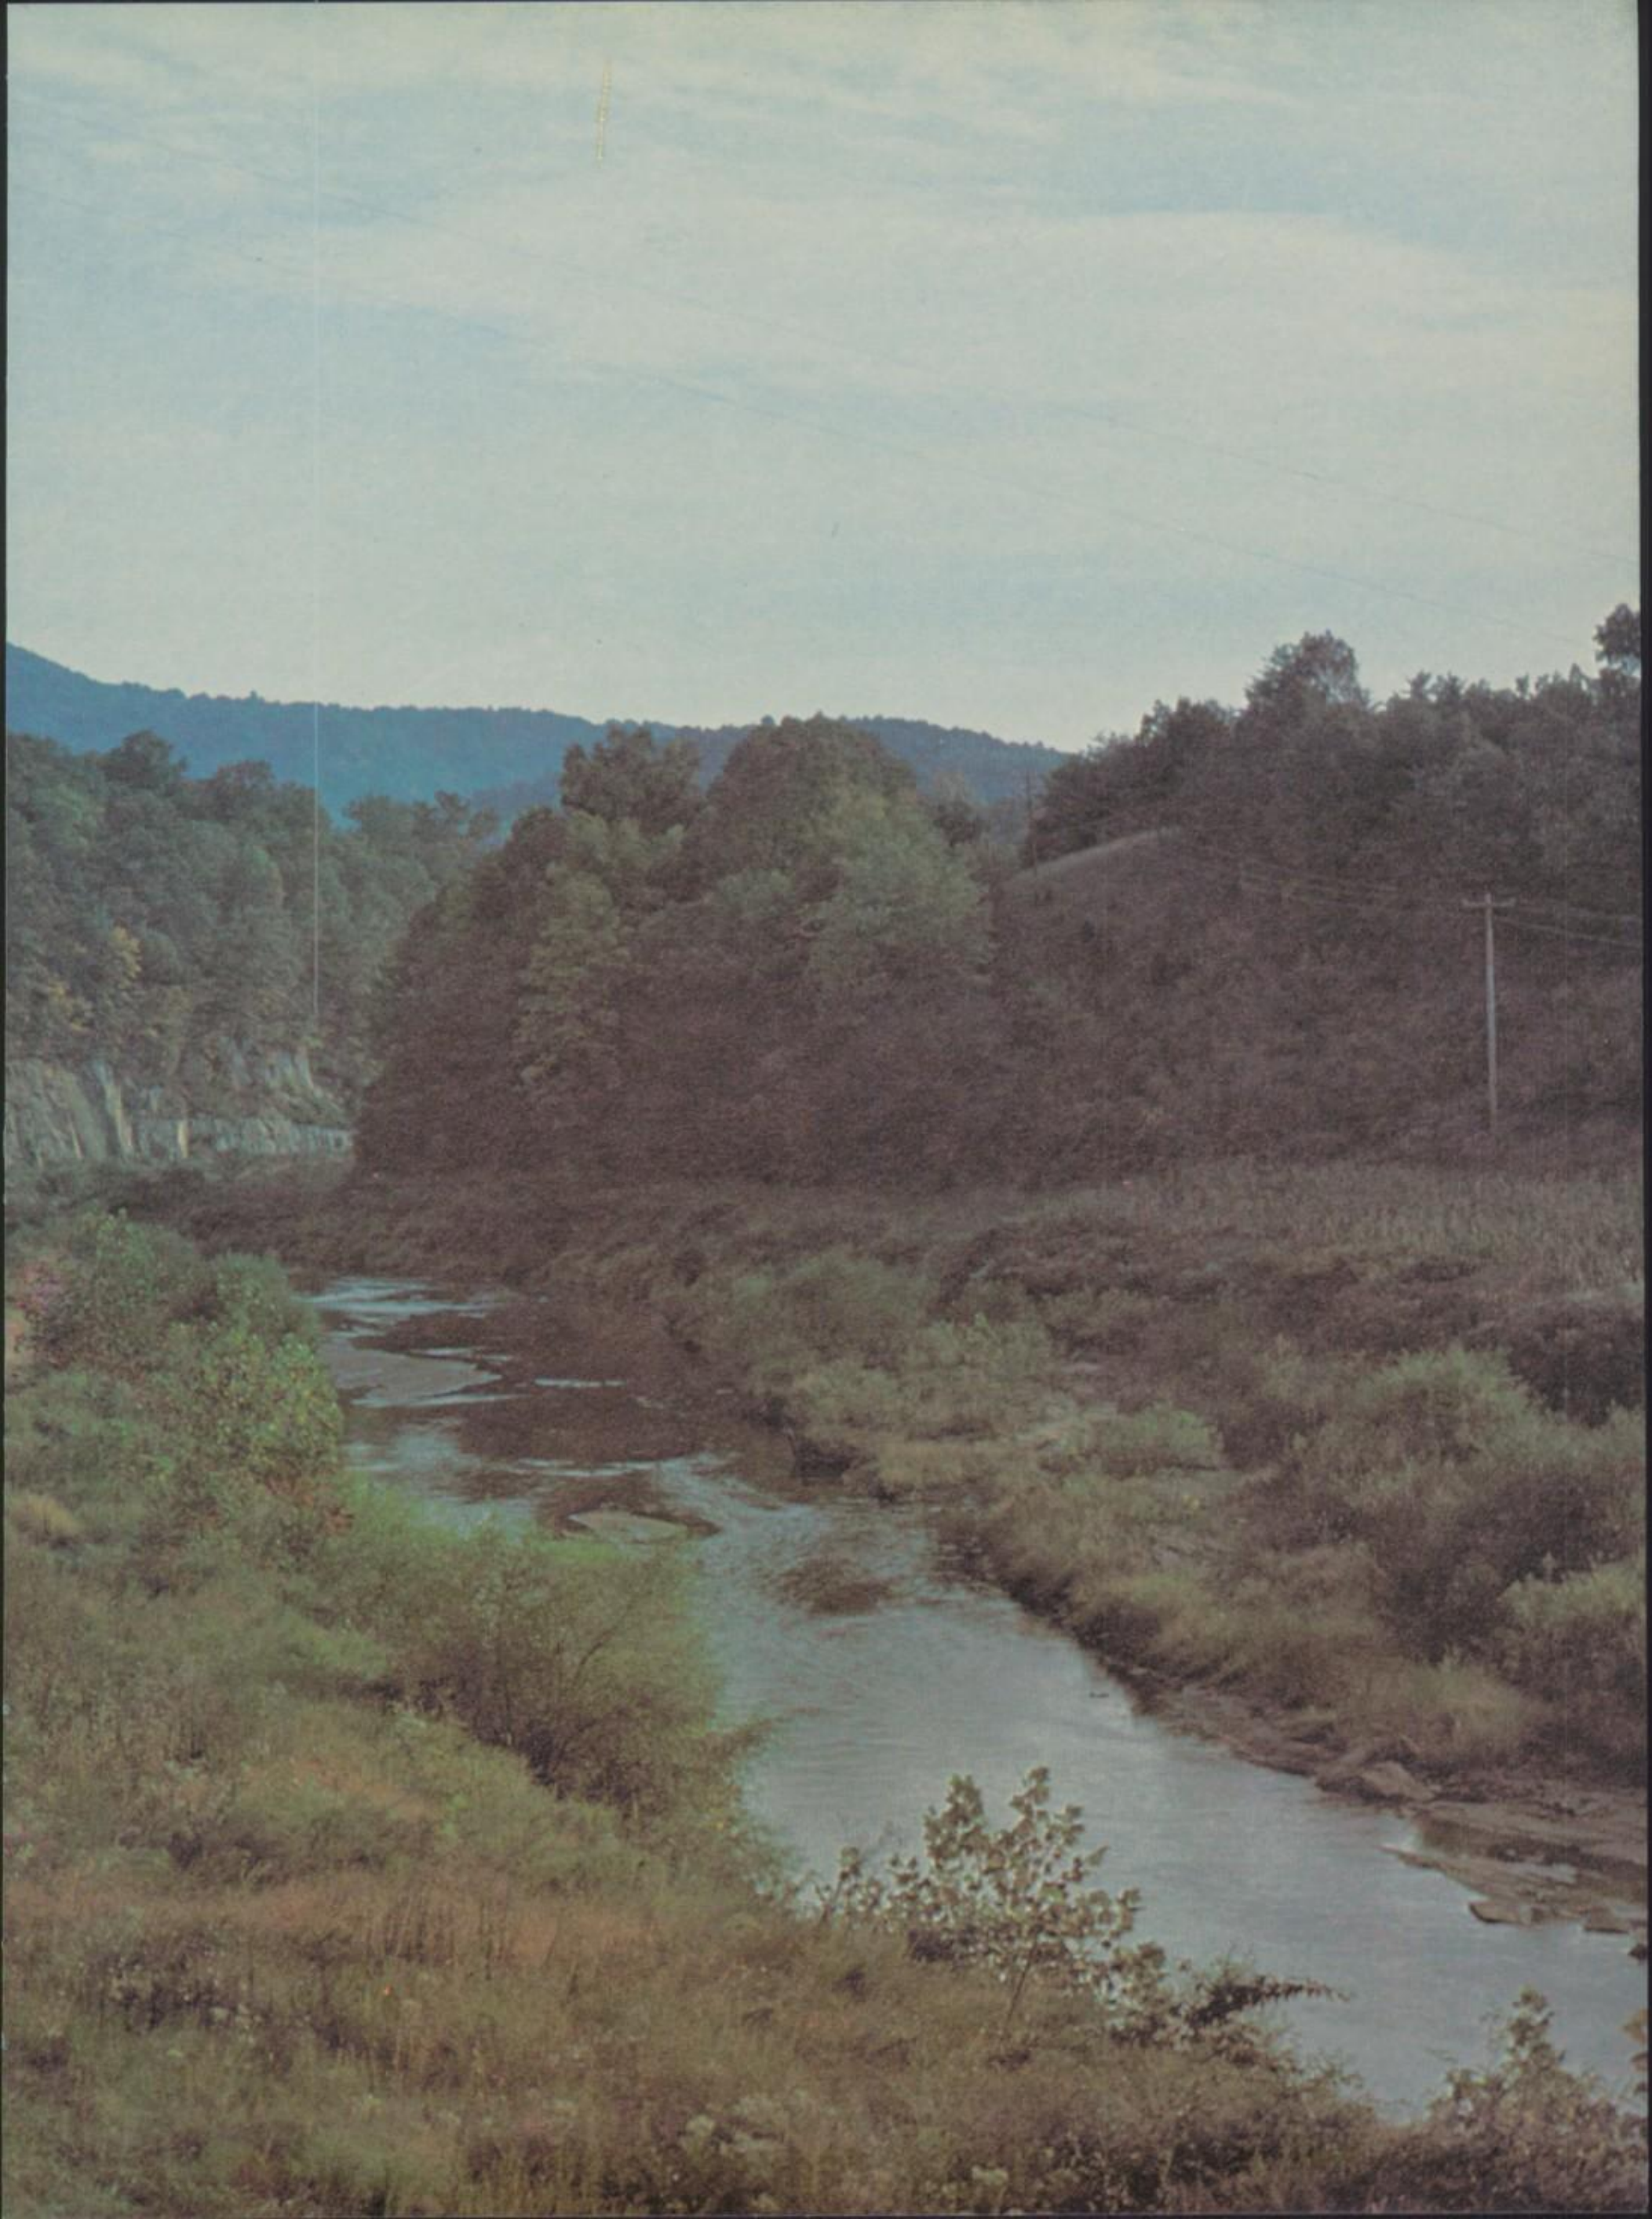

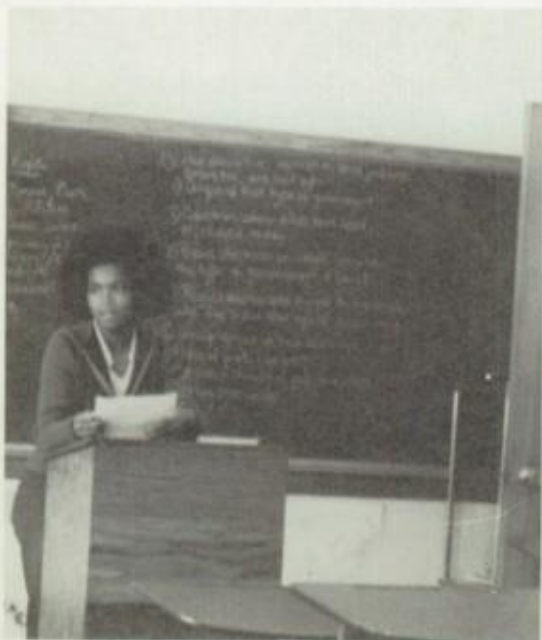

What's a rifle?

9:20 and the day has begun.

Mr. Norris incognito . . .

Get a load of those . . .

We just can't stand.
